

Vacation Bible School...

...was a lot of fun this year at Second Baptist Church!

Puppets, Bible stories, games, crafts, and lots of great music kept the children learning AND having fun!

Vacation Bible School was a lot of fun this year! The energy of over 100 kids filled the church...in a good way! Kirby kept the kids attention through his messages and puppets in the opening and closing sessions. Lessons learned were reinforced as the children moved through the various stations including story time, games, music and crafts. The kids shined in the closing program as their enthusiasm bubbled over. We thank the Lord for a good week!
